Future Air Force Conference 2026

Air Commodore Frederick Wigglesworth RAF
Assistant Chief of Staff Operations

ROYAL AIR FORCE

UAV Operations: Integrating UAS into RAF Air Power

ROYAL AIR FORCE

ARMY WK005

TEKEVER

Scope

- The current operational context – from the UK's perspective.
- How UAS are integrated in the RAF today, and how that will develop.
- Some realities of employing UAS in the real world.
- How current conflicts may inform us about the future character of conflict.
- The future of crewed vs uncrewed platforms.
- What's next for the RAF and uncrewed systems?

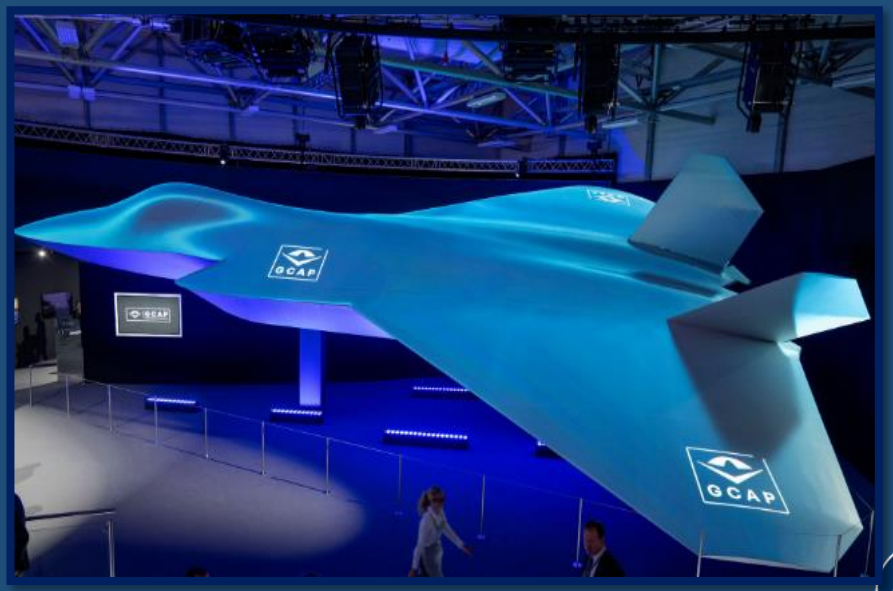

قوی باشیم
تا جنگ نشود
